Bowers & Wilkins NEW 600 Series HiFi Speakers FULL DEMO Part 1 @ Bristol Show 2019

The 600 Series is the most affordable range in B&W's catalogue of stereo speakers and, standing just 30cm tall, the 607s are the smallest and most affordable stereo pair in the line-up. To those familiar with B&W's previous 600 Series speakers, the most notable aesthetic change here is the lack of iconic yellow drivers.

Peel away the magnetic grilles – a first for the 600 Series – and you'll see what we mean. Traditionally, a 600 Series speaker would sport B&W's trademark yellow kevlar midrange cones. But this material has now been replaced by B&W's eye-catching silver Continuum cone material, first introduced to its flagship 800 Series Diamond.
