Yin is the art of doing less and being static, while yang represents being active and "upward moving." We need both of these things in our lives. We need more and we need less. (Sometimes we just happen to overdose on the more side of things, like I've done this year)

The Art of Doing Less - Jessica Lawlor

"Less Doing is an awesome book because it is a hands-on guide that teaches you how to quickly implement the art of 'strategic laziness'—doing only the most important stuff, and doing it well enough to get what you want. The stuff in this book will help you kick more ass, whether you're an entrepreneur, a student, or anywhere in between."
